Jaybird on the mountain top
Redbird on the ground
Blackbird in the sugar tree
A-shakin' that sugar down

Jaybird pulled a big plow
And the sparrow why not you?
Your legs so slim and slender
I'm afraid they'll break in two

Aunt Betty, she got mighty sick
And what do you recon ailed her?
She drunk three pints of sugar top
And then her stomach failed her

Possum up a 'simmon tree
Raccoon on the ground
Possum up a 'simmon tree
Shaking them 'simmons down
